We are hoping that we will be able to hold an 8th Grade formal & 8th grade field trip this year, but these are still activities that we are unsure of. When those activities are added to the calendar, there will be additional fees to participate.

(In past years, these events have each been \$90)

Participation in all events is subject to administrative approval and is based on demonstrated good behavior. As per Chancellor's Regulations only students meeting promotional criteria can be included in the Moving Up Ceremony. **NO Refunds will be given.**
